The number in each box indicates the order in which each card was put down (1 for first, etc).

1 - Present Position: The atmosphere in which the inquirer is presently working and living. Shows the area of influence in which the inquirer presently exists.

2 - Immediate Influence: Shows the nature of the influence or immediate sphere of involvement or obstacles which lie just ahead.

3 - Goal or Destiny: Shows the ultimate goal or destiny of the inquirer. The card indicates the best that can be accomplished by the inquirer based on existing circumstances. This card may also represent the inquirer's aim or ideal within the present frame of reference.

4 - Past Influences: Shows the broad and basic events and influences which have existed in the past.

5 - Recent Events: Shows the most recent sphere of influence or events which have just been, or which are passing. This card may represent distant past influences exerting pressure on recent events.

6 - Future Influence: Shows the influence that is coming into being (in a broad sense), soon.

7 - The Inquirer: Shows the inquirer his or her present position or attitude with the surrounding circumstances. Attempts to place the inquirer in proper perspective.

8 - Environmental Factors: Shows the inquirer's influence on other people through his or her social position in life. This card also reveals the tendencies and factors that may influence the inquirer.

9 - Inner Emotions: Shows the inner hopes, hidden emotions, secret desires, fears, and anxieties of the inquirer. This card exposes the thoughts which will arrive in the inquirers mind, in the future.

10 - The Final Result: Shows the results, that are layered from all the influences (from the other cards), in the divination spread. The layers of these cards will inform the inquirer's future.
